OUR STORY

Jason Danielson started working for Queenstown Bakery after 26 years working in hospitality within other restaurants and bakeries.

2009

2010

The Queenstown Bakery was purchased by Jason's sister Delwyn and brother in-law Ian in 2010, creating a small family owned retail bakery business.

The Bakery started to sell products to wholesale customers and the business started to grow rapidly. This led to the search of a new production facility to support the growth. Jason was producing 1000 pies per day by hand at that time.

2012

2013

A new wholesale production facility was purchased in Wanaka, New Zealand and the brand "Kai Pai" was established.

Kai Pai Bakery won 2 Top 10 awards at the 2014 NZ Supreme Pie Awards which resulted in demand for our products increasing significantly

2014

2016

NZ Supreme Pie Awards 2016 - Kai Pai was awarded Gold for the Vegetarian Pie and Top 8 placement for the Steak Pie.

NZ Supreme Pie Awards 2017 - Kai Pai was awarded with 3 Top 10 places and Silver for the Commercial Mince & Cheese pie maker. Foodfirst recognised Kai Pai Bakery with the 2017 Rising Star Award. Production increased to over 20,000 pies per day.

2017

2018

NZ Supreme Pie Awards 2018 - Kai Pai was awarded with 3 Top 10 Awards and sales continued to grow. Further investments made in automation and extensions to our manufacturing facility to increase capacity to over 50,000 pies per day.

NZ Supreme Pie Awards 2019 - Kai Pai was awarded 6 Top 10 places including a Gold for Chicken Leek & Bacon and a Silver for it's Chicken, Leek, Bacon and Mushroom. This is the most awards provided to any South Island Bakery and equal 2nd in the country.

2019

2022

Demand continued for Kai Pai post COVID-19 pandemic which resulted in the need for further storage in our facility. A new freezer was commissioned which holds an additional 150 pallets of stock. Another automated pie machine was also purchased.
